FaceAppeel

the gentle, non-invasive dermal infusion treatment

REFRESH-REPAIR-BRIGHTEN-BOOST

REFRESH

Hyaluronic Acid

Choose this formula for a complete and rapid rehydration of your skin.

This rich moisturising serum puts back vital hydrating chemicals that are a must for clear, healthy skin.

Our Refresh skin hydrating solution is suitable for treating dehydrated and dry skin, sensitive skin, environmentally sensitised skin, fine lines, delicate skin and rosacea.

The benefits of the Refresh solution are:

Smooth Your Skin

Hyaluronic Acid reduces the appearance of fine lines and wrinkles whilst at the same time making the texture of the skin look smoother and fresher.

Calm Your Skin

Chamomile helps protect you from free-radicals, delivering a calming effect, making sure there's little or no irritation leaving you with a warm glowing complexion.

Hydrate Your Skin

Aloe is used to give a wonderful hydrating effect on the skin making sure that it gets the moisture it needs, leaving your face feeling soft, supple and fully moisturised.

"...my skin immediately looked fresher and felt much smoother."

..... Patricia S

REPAIR

Salicylic Acid

Choose this formula to cleanse the skin, combatting acne and helping protect your skin from harmful bacteria.

This formula is clinically proven to treat the main causes of acne and works even better when combined with complementary procedures such as light therapy.

Our Repair skin solution is ideal for oily, acne-prone skin, congestion, comedonal breakouts, mildly inflamed acne lesions and blocked follicles.

Clarify Your Skin

With a main ingredient of Salicylic Acid, this formula drives out harmful bacteria, helps the skin to generate protective oils and opens up blocked pores helping to prevent acne.

"...the most relaxing treatment ever, and what a great result!"

..... Alison B

BRIGHTEN

Lumixl

Choose this formula to help brighten darker skin, remove blemishes and areas of discoloration.

This formula is aimed at achieving a lighter, more even look to the skin without irritation or recovery time. It works even better when combined with complementary procedures such as light therapy.

Our Brighten skin solution is great for photo-damage, sun spots, post-inflammatory hyperpigmentation, blotchy or uneven skin tone.

The benefits of the Brighten solution are:

Lighten Your Skin

For those of you that suffer from darker areas on the skin this formula, with Lumixyl as the main active ingredient, speeds up the process of repair, lightening and tightening the skin.

Clarify Your Skin

By stimulating the naturally occurring amino acids present in the skin, this treatment reduces darkness and delivers a smoother, more toned skin surface.

Freshen Your Skin

This will leave you celebrating a new healthy, vibrant and fresh feeling to your face.

BOOST

Vitamin C

Choose this formula to help brighten your skin and give it much needed protection from damage.

This formula equips your skin with the defences it needs to combat the harm done by heat, light and weather.

Our Boost skin solution helps hydrate and rejuvenate environmentally or sun-damaged skin, stressed, devitalised skin, dehydrated and dry skin, fine lines and ageing skin.

The benefits of the Boost solution are:

Strengthen Your Skin

Tocopheryl Acetate, derived from Vitamin E, acts as a defence against sun damage whilst smoothing wrinkles and enhancing the look of scar tissue.

Brighten Your Skin

Vitamin C is great for your skin and the Sodium Ascorbyl Phosphate in our Boost formula will continue the process of lighten and brightening the skin, offering another layer of protection from the ravages of the sun.

Soothe Your Skin

Aloe, Allantoin and Dipotassium combine to hydrate and soothe the skin, removing any irritation and leaving the skin feeling smooth and fresh.

A relaxing combination of gentle, soothing exfoliation and the dermal infusion of skin-nourishing solutions for a refreshed facial appearance, with no recovery time required.
